

REPUBLIC OF THE PHILIPPINES

NATIONAL DISASTER COORDINATING COUNCIL

National Disaster Management Center, Camp Gen. Emilio Aguinaldo, Quezon City, Philippines

NDCC ADVISORY

TO : CHAIRMAN, RDCC II, PDCCs, OCDRC II

SUBJECT : WEATHER ADVISORY NUMBER 01 for Tropical Depression

DATE : 11:00 AM, 29 August 2010

Source: PAGASA

At 8:00 AM today, the Tropical Depression east of extreme Northern Luzon was estimated based on satellite and surface data at 1,300 km east of Batanes (20.7°N, 136.2°E) with maximum sustained winds of 55 kph near the center. It is moving west northwest at 28 kph towards Southern Japan. This weather system is expected to enter the Philippine area of responsibility (PAR) this afternoon and still no direct effect to any part of the country.

Residents in these areas are advised to take all the necessary precautionary measures.

The next update will be issued this afternoon in the form of a severe weather bulletin at 5:00 PM today.

For more information, you may contact the Weather Division of PAGASA at telephone numbers: 927-1541, 926-4258 and 927-1335.

You are hereby directed to undertake precautionary measures in your AOR. Likewise, the public and Disaster Coordinating Councils (DCCs) concerned are advised to take appropriate actions.

In order to better inform/warn communities, you are reminded to disseminate these through local/community leaders and through your local media, including community radio stations. Conduct press briefings as often as needed. This local effort will complement and reinforce efforts at the national level. Emphasis should be on proactive actions – evacuation rather than rescue.

Let us untiringly aim for zero casualties.

Submit report on actions taken.

BY AUTHORITY OF THE CHAIRMAN, NDCC:

BENITO T. RAMOS
Administrator, OCD and
Executive Officer, NDCC
