| No public storm warning signal was raised. | |

In order to better inform/warn communities, you are reminded to disseminate these through local/community leaders and through your local media, including community radio stations. Conduct press briefings as often as needed. This local effort will complement and reinforce efforts at the national level. Emphasis should be on proactive actions – evacuation rather than rescue.

For references and monitoring purposes, please visit the following URL/Website: <http://www.ndcc.gov.ph> (select link); <http://www.pagasa.gov.ph> (Tropical Cyclone Update); <http://www.typhoon2000.com>; and <http://www.pdc.org>.

Let us untiringly aim for zero casualty.

Submit report on actions taken.

BY AUTHORITY OF THE CHAIRMAN NDCC:

GLENN J RABONZA
Administrator, OCD and
Executive Officer, NDCC
